Executive Summary of Commission Staff Materials

Affected Pension Plan(s): Statewide and major local retirement plans
Relevant Provisions of Law: Minnesota Statutes, Sections 352.01, 353.01, 354.05, & 354A.011
General Nature of Proposal: Updates/reorganizes membership inclusion & exclusion provisions.
Date of Summary: March 20, 2014

Specific Proposed Changes

- Reorganizes and updates the membership inclusion and exclusion provisions of MSRS-General, PERA-General, TRA, and the two first class city teacher retirement fund associations without making any intended substantive changes.

Related Issue

- Whether or not this proposed legislation should be the vehicle for a resolution of PERA-General minimum salary amount membership inclusion threshold issue considered by the Pension Commission over the 2013-2014 interim.

Potential Amendments

S2428-1A is the PERA is proposal to replace the \$425 in any month minimum salary threshold for membership inclusion with a procedure that was an annualized minimum salary threshold figure of \$5,100 for employees of governmental subdivisions other than school districts and of \$3,800 for employees of school districts.

S2428-2A, an alternative to the PERA suggestion, resets the exclusion from PERA-General membership on an annual stipulation basis, set at a \$4,400 annual calendar compensation figure for school district employees and at a \$6,000 annual calendar year compensation figure for employees of political subdivisions other than school districts, and would provide retirement coverage for those currently excluded minimally compensated employees by the Public Employees Defined Contribution Plan with member and employer contribution rates identical to PERA-General.

S2428-3A is a modification of S2428-2A, with the same PERA-General exclusion and Public Employees Defined Contribution Plan coverage changes, except that currently minimally compensated employees who would be covered by the Public Employees Defined Contribution Plan would have a five-year vesting period for the eventual receipt of the accumulated employer contributions and investment income on those contributions.

Background Information on Relevant Topics

The following attachments provide background information on topics relevant to the proposed legislation:

- **Attachment A:** Background information on MSRS-General membership inclusions and exclusions.
- **Attachment B:** Background information on PERA-General membership inclusions and exclusions.
- **Attachment C:** Background information on TRA membership inclusions and exclusions.
- **Attachment D:** Background information on comparative Minnesota public employee retirement plan membership inclusions and exclusions.

Discussion and Analysis

S.F. 2428 (Pappas); H.F. 2682 (Nelson) updates and reorganizes the membership inclusion and exclusion provisions of the three largest Minnesota public employer defined benefit retirement plans and the two major local Minnesota public employee defined benefit retirement plans by making similar provisions more clearly comparable between retirement plans, by regrouping together membership provisions that are topically related within a retirement plan and by updating or correcting provisions that contain errors or obsolete references.

While the proposed legislation as drafted rearranges the membership inclusions and exclusions within retirement plans and makes similar membership inclusion or exclusion provisions more comparable without making any intended substantive changes from current membership practice, the proposed legislation does touch on membership topics that raise various pension and related public policy issues. The Commission may wish to consider as an additional issue the resolution of the PERA-General minimum salary amount membership inclusion threshold issue. The policy issue is whether or not this proposed legislation should be the vehicle for a resolution of the issue, considered by the Pension Commission over the 2013-2014 interim, of whether to increase the minimum salary figure used as the threshold for mandatory inclusion in membership by the General Employees Retirement Plan of the Public Employees Retirement Association (PERA-General), currently set at \$425 in a calendar month.

Based on a study conducted by PERA of its membership, in 2011 there were 139,952 active members of PERA-General and 85,731 individuals employed by or holding positions with local government who were excluded from PERA-General retirement coverage. The reasons for those exclusions, as identified by PERA, are as follows:

	<u>Number</u>	<u>%</u>
Exclusion/Reason:		
1. Salary less than \$425 monthly salary threshold	14,878	6.5%
2. Part-time employee/full-time student under age 23	14,451	6.4%
3. Temporary (under six months) employees	13,431	6.0%
4. Seasonal (limited to less than 186 days) employees	12,376	5.5%
5. Other exclusions (unspecified)	30,595	13.6%
Active members	<u>139,952</u>	<u>62.0%</u>
Total:	225,683	100.0%

The \$425 monthly salary threshold figure for PERA-General membership inclusion was last revised in 1988, when it was increased from \$325 in a month. PERA is pursuing **Amendment S2428-1A** as a replacement for the \$425 in any month minimum salary threshold for membership inclusion with a procedure that was an annualized minimum salary threshold figure of \$5,100 for employees of governmental subdivisions other than school districts and of \$3,800 for employees of school districts. The non-school-district employee figure is for a 12-month employee ($\$425 \times 12 = \$5,100$) and the school district employee figure is for a nine-month employee ($\$425 \times 9 = \$3,825$).

As an alternative to the PERA suggestion, **Amendment S2428-2A** would reset the exclusion from PERA-General membership on an annual stipulation basis, set at a \$4,400 annual calendar compensation figure for school district employees and at a \$6,000 annual calendar year compensation figure for employees of political subdivisions other than school districts and would provide retirement coverage for those currently excluded minimally compensated employees by the Public Employees Defined Contribution Plan with member and employer contribution rates identical to the PERA-General contribution rates.

Amendment S2428-3A is a modification of Amendment S2428-2A, with the same PERA-General exclusion and Public Employees Defined Contribution Plan coverage changes, except that currently minimally compensated employees who would be covered by the Public Employees Defined Contribution Plan would have a five-year vesting period for the eventual receipt of the accumulated employer contributions and investment income on those contributions.

4. Historical Development of MSRS-General Membership Inclusions and Exclusions.
 - In 1929 (Laws 1929, Ch. 191, Sec. 1), "State Employee" was defined as any person holding a state office or regularly employed by the state annually or monthly in whatever capacity if paid on a State Auditor warrant or from departmental income or fees, except court commissioners, supreme court commissioners, district judges, or higher education institution presidents or deans, professors, or instructors. Excluded from coverage were temporary employees or employees employed for a definite period of less than six months. Membership was optional for state employees with that status on July 1, 1929.
 - In 1933 (Laws 1933, Ch. 326, Sec. 1-2), the mandatory coverage provisions were augmented with the addition of a requirement that any state employee who was employed by the state for more than six months continuously was required to become a member even if classified as a temporary employee or otherwise and the addition of a requirement that the department head to cause deductions from a post-July 1, 1929, new state employee's salary.
 - In 1935 (Laws 1935, Ch. 238, Sec. 1-2), requirements identical to the 1933 enactment were again enacted.
 - In 1939 (Laws 1939, Ch. 432, Sec. 1), the definition of "State Employee" was modified by the addition of exclusions from plan membership for elective state officers, tax appeals board members, civil service board members, members of any board or commission with intermittent service and per diem compensation, teachers in state institutions with eligibility for Teachers Retirement Association (TRA) coverage, and students employed by the state incidental to and in furtherance of their education. Also, Department of Education employees who are eligible for TRA membership were given the option of State Employees Retirement Association (SERA) membership, with those Department of Education employees with past SERA coverage who elect TRA coverage granted a deferred annuity or refund right.
 - In 1941 (Laws 1941, Ch. 389, Sec. 1-2), the exclusions from SERA membership was expanded to include temporary state employees as defined by the State Civil Service Act and the exclusion of

probationary state employees and temporary unclassified service state employees was clarified as applicable only to the initial six continuous full months of employment and permanent seasonal employees in the classified or unclassified service were specified as not being temporary employees. State employees on July 1, 1929, who elected to be excluded from SERA before July 2, 1931, were required to become SERA members on July 1, 1941.

- In 1943 (Laws 1943, Ch. 622, Sec. 1), the inclusions in SERA membership were clarified with the specification that permanent unclassified state service employees were members upon acceptance of employment, that classified state service employees were members upon the completion of six months of continuous state employment no matter the employee's classification, and that any former state employee who was a SERA member and who did not take a refund were members upon reemployment immediately, regardless of classification and the SERA exclusions were expanded to apply to physicians, dentists, clergy, and other professionals retained by the state for their professional duties when compensated on a per diem basis.
- In 1945 (Laws 1945, Ch. 38, Sec. 1; Ch. 284, Sec. 1-2), the SERA membership inclusions were expanded to Minnesota Historical Society employees, Disabled American Veterans-Minnesota Department employees if paid on a State Auditor warrant, effective retroactively to the date SERA members contributions began, and SERA members employed as session employees by the Minnesota Legislature and the "State Employee" definition was completely restructured, with the plan membership inclusions specified as employees in the classified or unclassified service of the state, Minnesota Historical Society employees, State Horticultural Society employees, Disabled American Veterans-Department of Minnesota employees, and current SERA members employed as legislative session employees or other temporary legislative committee or commission employees and with plan membership exclusions specified as elective state officers, students employed by the state incidental to a furthering their education, employees eligible for TRA membership other than Department of education employees exercising their option to be or remain SERA members, University of Minnesota employees excluded by Board of Regents action, National Guard employees unless assigned to permanent peacetime duty, election officers, employees of contractors in state public work, temporary legislative employees, court employees other than Supreme Court employees and other than Industrial Commission referees and adjustors, patient and inmate state institution help, professional service providers for services incidental to their regular professional duties and compensated on a per diem basis, Sibley House Association employees, General Army of the Republic and Ladies of the G. A. R. employees, contract operators and drivers retained by the state, members of various state boards or commissions, state highway patrolmen, and persons aged 65 upon becoming otherwise entitled to members.
- In 1949 (Laws 1949, Ch. 644, Sec. 1), the SERA plan membership exclusions were amended to provide an exception to the legislative employment exclusion for permanent employees of the Legislative Research Committee who exercise their membership option within six months of employment.
- In 1951 (Laws 1951, Ch. 441, Sec. 2), the SERA plan membership inclusions were expanded to Adjutant General employees paid from federal funds, but not eligible for federal retirement coverage and employees of state teachers colleges in the college activities program, the student worker membership exclusion was revised to apply unless the Board of Regents at the University of Minnesota or the teacher college board approve the person for plan membership, and an exclusion was added for emergency employees in the classified state service.
- In 1953 (Laws 1953, Ch. 320, Sec. 1, 3), special authority for plan membership was extended to a former state employee who was elected as a constitutional officer.
- In 1955 (Laws 1955, Ch. 239, Sec. 1), the SERA plan exclusion for various boards and commissions members was modified to not apply to the secretary, treasurer, or secretary-treasurer of a state board where the compensation exceeded \$500 per year.
- In 1957 (Laws 1957, Ch. 928, Sec. 1, 7), the "State Employee" definition was again restructured, with a separate inclusion set of clauses and with a separate exclusion set of clauses. SERA plan inclusions were expanded to armory building commission employees, Minnesota-Wisconsin-Minneapolis-St. Paul Survival Plan Project employees, and permanent legislative employees. SERA plan exclusions were increased to labor service employees who were covered by Social Security and who were paid on an hourly basis, state game wardens, state employees aged over 60 with less than six years of plan membership, and state government department heads appointed by the Governor if requested by the department head.
- In 1959 (Ex. Sess. Laws 1959, Ch. 6, Sec. 1, 6), two additional SERA plan inclusions, trainees in a full-time established training program if eligible for an immediate appointment upon completion of training and employees of the Minneapolis deputy motor vehicle registrar, were added and four additional SERA plan exclusions, temporary employees in the classified service, seasonal help in

- In 1961 (Ex. Sess. Laws 1961, Ch. 67, Sec. 1), the legislative branch SERA plan inclusions and exclusions were revised, clarifying the two applicable provisions, by including permanent legislative research committee employees with the permanent legislative employee inclusion provision and by restating the legislative employee exclusion provision as applicable to legislative officers and temporary legislative employees and legislative research committee employees employed intermittently on an on-call basis. The State Fair temporary employee exclusion was no longer restricted to the period of the State Fair, but applied from August 1 to September 30 annually. Additional exclusions were specified for state employees receiving a year of service credit from a first class city teacher retirement fund association, for temporary employees of the Adjutant General related to the Camp Ripley field training activities, and for chaplains and nuns who took a vow of poverty.
- In 1963 (Laws 1963, Ch. 383, Sec. 1), the "State Employee" definition was amended by more appropriately repositioning the labor service employee exclusion, by restricting the Disabled American Veterans and Veterans of Foreign Wars employee inclusion to employees employed before July 1, 1963, by eliminating the Minnesota-Wisconsin-Minneapolis-St. Paul Survival Plan Project employee inclusion, by limiting the emergency employee exclusion to emergency employees shifted to provisional or probationary employee status without an interruption of duties, and by recasting the state game warden exclusion as a state police officer exclusion.
- In 1965 (Laws 1965, Ch. 230, Sec. 1; and Ch. 590, Sec. 1), the SERA plan inclusions and exclusions were divided into three subdivisions, the inclusion subdivision was amended by replacing the Minneapolis Deputy Motor Vehicle Registrar employees with Minnesota Safety Council employees, and the exclusion subdivision was amended by clarifying the board and commissioner secretary exclusion applies if the secretary is prohibited by law to serve multiple terms totaling ten years of service, by adding the board of managers of the State Agricultural Society and its treasurer unless the treasurer is also its secretary, by extending the temporary State Fair employee exclusion to a July 1 to October 15 period, by amending the Adjutant General employee exclusion to employees employed on an unlimited basis for any training facility and not just Fort Ripley, by excluding student employees at a state junior college, and by adding exclusions for department, commission, or agency examination monitors, for most appeals tribunal members, and for fact-finding commission members, arbitrators, or labor referees.

4. Historical Development of PERA-General Inclusions and Exclusions.
 - In 1931 (Laws 1931, Ch. 307, Sec. 1-2), when the Public Employees Retirement Association (PERA) was established, the term “public employee” was defined as any person holding an elective or appointive position as an employee or officer of a county, as an employee or officer of any city of the first class, city of the second class, or city of the third class, whether governed by home rule charter or otherwise, as an employee or officer of any village with a population of more than 7,000, or public school employee or officer with a salary paid from taxation or from public revenues. The term excluded temporary employees and employees with an average period of employment under six months, with membership optional for public employees having that status on April 24, 1931, to be elected before July 1, 1933, and with membership mandatory for public employees accepting public employment after April 23, 1931.
 - In 1933 (Laws 1933, Ch. 374, Sec. 1-2), the definition of the term “public employee” was revised to apply to any person who holds a position by election, appointment, or contract with a county, a city, a village, or a school district if the salary is paid in whole or in part through taxation, fees, assessments, or governmental subdivision revenue. The term was defined to also mean a person appointed as a district court reporter, but was indicated that it did not include persons by employment were required to contribute to another retirement fund established under law and did not include temporary employees. The definition of “public employee” was extended to include any incorporated city and any incorporated village with a population of more than 5,000. The definition distinguished between “present public employees” (a public employee who was receiving salary from a governmental subdivision which accepted coverage by PERA on the date of that acceptance) and “new public employees” (a public employee who entered public employment by a governmental subdivision which accepted PERA coverage after the date of that acceptance). Present public employees in governmental subdivisions accepting PERA coverage

were permitted to elect PERA membership until July 1, 1935, with the membership of an elected official who elected coverage remaining binding during the person's future incumbency, and with the membership in the retirement plan not terminated by resignation or termination of governmental subdivision employment.

- In 1935 (Laws 1935, Ch. 106, Sec. 1), the retirement plan membership provision was modified to accommodate employees of governmental subdivisions at the time of its accepting plan coverage after May 1, 1935, and were given the option of becoming plan members during the two years following the acceptance.
- In 1937 (Ch. 466, Sec. 1-2), the definition of "public employee" was augmented to exclude any period of time for coverage when the person was eligible for membership or was a member of another Minnesota public retirement plan. The covered governmental subdivisions provision was expanded to include any common school district or special school district. The plan membership provision was amended to provide that any person who is appointed to fill an elective office vacancy may exercise a membership option under the same terms and condition as apply to the admission of elective officers.
- In 1941 (Laws 1941, Ch. 285, Sec. 1-2), the definition of "public employee" was modified to exclude temporary employees, and was further refined in excluding individuals for periods of employment when they were covered by a Minnesota public retirement plan and specifically included district court reporters. "Temporary employee" was defined to mean persons who are employed by a governmental subdivision for a period that did not exceed six months in any 12-month period, was a substitute for another employee on a leave of absence, was considered temporary in character, but not seasonal, or is employed part time with annual compensation under \$301 unless the person is in the classified civil service of the employing unit.
- In 1947 (Laws 1947, Ch. 18, Sec. 1-2), the definition of "present public employee" was redefined as employees of governmental subdivisions as of June 1, 1947, for subdivisions which became subject to the retirement plan effective on June 1, 1947. The definition of "new public employee" was redefined as persons who become employees of governmental subdivisions becoming subject to the retirement plan after June 1, 1947. The plan membership provision was separated into subdivisions, with new subdivisions governing the membership process for employees and elected public officials becoming such after June 1, 1947, with a two-year deadline for the exercise of the option back to June 1, 1947.
- In 1949 (Laws 1949, Ch. 84, Sec. 1), the language of the prior exclusion of persons who are members of another public retirement plan was simplified.
- In 1951 (Laws 1951, Ch. 22, Sec. 1-7, 10-13), the definition of "public employee" was substantially revised, newly set as any person performing personal services for a governmental subdivision as an officer or employee whose salary is paid wholly or partially through taxation, fees, assessments, or other public revenue, as a district court reporter, or as an officer or employee of PERA, the definition of "governmental subdivision" was expanded to include boroughs and towns. The term "non-employee member" was defined as a person who continues PERA membership after ceasing to be a public employee. The term "contributory membership" was defined as membership during which contributions are made by salary deduction. The term "new public employee" was redefined as a person who becomes a public employee after the date on which the governmental subdivision accepted PERA coverage. The specification of membership eligibility was totally revised, requiring every public employee who is not already covered by PERA on or after July 1, 1951, to become a PERA member by accepting or continuing in public employment unless an elected official or an appointee to an elected official position, is already age 60, is required to contribute to another public retirement plan by virtue of employment, or is an employee of a governmental subdivision that had not adopted PERA coverage. The public officers membership provision was totally revised, made optional, and continuing during the incumbency of the person in office. A provision specifying optional membership for employees at or over age 60 on July 1, 1951, was added, and a provision governing the commencement of membership on July 1, 1951, was added.
- In 1955 (Laws 1955, Ch. 815, Sec. 1-2, 11), the membership provisions were modified to add elected members of the Legislature as members and to make PERA membership mandatory for non-member public employees on July 1, 1955, and for newly employed public employees after June 30, 1955, by virtue of the continuation in employment or the acceptance of employment.
- In 1957 (Laws 1957, Ch. 815, Sec. 1; and Ch. 935, Sec. 1, 6), the plan membership provisions were amended to include in coverage the chief clerk of the Minnesota House of Representatives, the Secretary of the Minnesota Senate, and any employee of the League of Minnesota Municipalities.

Plan membership provisions were amended to add or clarify exceptions from coverage, set as:

- persons rendering professional duties and compensation is on a per diem basis;

- election officers;
- persons who are employed by contractors under an authorized contract;
- patient and inmate help rendered to governmental unit;
- members of boards, commissions, volunteer fire departments, bands, and others employed in intermittent governmental subdivision service and paid on a per diem or for-free basis;
- temporary, emergency, and seasonal employees as defined by PERA board rule; and
- public employees required to contribute by virtue of employment to another Minnesota public retirement plan.

Plan membership provisions were amended to also exclude:

- persons over age 60 with less than six years of allowable service credit as of June 30, 1957, and any post-June 30, 1957, hire unless the person has allowable service credit equal to the number of years in excess of age 55;
 - elected public officials and appointees to elected positions had the option to be covered by the retirement plan within six months of taking office, continuing for the duration of incumbency in the office held when membership was elected; and
 - any public employee who was not eligible for PERA coverage but who was not eligible for federal Social Security coverage, was made eligible for PERA coverage, retroactive to July 1, 1957.
- In 1959 (Laws 1959, Ch. 650, Sec. 1-3, 30, 56), employees of a public elected officer or of governmental subdivision departments were made eligible for PERA coverage. Municipal housing and redevelopment authority employees, seaway port authority employees, soil conservation district employees, and certain hospital district employees were excluded from PERA coverage. PERA membership was limited to periods while engaged in public employee services, and PERA membership was specified to include leaves of absence of less than six months, temporary layoffs of less than six months, authorized sick leaves, and authorized job training leave. Nonemployee PERA membership was abolished as of August 1, 1959, with refunds paid to any former nonemployee PERA member. Former PERA members who are elected officials or employees of a municipality that is not covered by PERA were permitted to continue in PERA membership.
 - In 1961 (Laws 1961, Ch. 482, Sec. 1; and Ch. 746, Sec. 1), police matrons who were transferred to county correctional facilities were excluded from PERA coverage and the prior seaway port authority exclusion was corrected as a port authority exclusion from PERA.
 - In 1963 (Laws 1963, Ch. 641, Sec. 3-4, 16-17), the independent contractor exclusion from PERA coverage was clarified. The prior other retirement plan or relief association contributor exclusion was modified to not apply to local police or fire relief association members with dues but no pension contributions less than \$13 in any calendar year. The prior extension of membership to leave of absence periods limited to an aggregate of 12 months during the person's entire coverage period rather than six months and the prior extension of membership to temporary layoff or authorized job training leave was limited to periods authorized by the employer transmitted promptly to PERA and not to exceed 3.5 months in any calendar year.
 - In 1965 (Laws 1965, Ch. 880, Sec. 1), employees of probate judges or municipal judges were included in PERA coverage. The prior temporary, emergency, and seasonal employee exclusion from PERA membership was replaced by an exclusion of employees in essentially temporary or seasonal positions that do not continue beyond 90 working days in any calendar year and the exemption expires if a former temporary or seasonal employee continues beyond 90 days and earns in excess of \$75 in any calendar month. Part-time employees with less than \$75 in monthly compensation were excluded from PERA membership, along with emergency employees hired by reason of fire, flood, storm, or disaster and with students occasionally employed part time by a governmental subdivision in any capacity.
 - In 1967 (Extra Sess. Laws 1967, Ch. 37, Sec. 1), the prior exclusion for part-time employees with earnings under \$75 per month was clarified by eliminating the prior exception for probationary employees with civil service merit system rights. The prior student part-time employee exclusion was expanded to include full-time school or college students.
 - In 1969 (Laws 1969, Ch. 940, Sec. 1), the inclusion in PERA membership of persons employed by probate judges was eliminated, and a grammatical error relating to the exclusion of election officers was corrected. The exclusion of public employees covered by another public retirement fund by virtue of their public employment was modified to not apply to volunteer fire relief association members if the relief association does not determine benefits or contributions based on a firefighter's compensation or salary, and the religious organization exemption was modified with respect to the required annuity or benefit waiver.
 - In 1971 (Laws 1971, Ch. 106, Sec. 1, 39; and Ch. 503, Sec. 1), the inclusion in PERA membership of the secretary of the Minnesota Senate and the chief clerk of the Minnesota House of Representatives was eliminated, and the inclusion in PERA coverage of Minnesota legislators was limited to persons first elected before December 31, 1969. The PERA optional membership provision was amended to clarify the maximum age on the Port Authority of St. Paul optional membership individual election and to clarify the conditions on the optional membership for the three group election provisions.
- In 2007 (Laws 2007, Ch. 134, Art. 1, Sec. 4; Art. 2, Sec. 13-14), the PERA membership inclusion provision was amended to clarify that the \$425 per year minimum salary threshold applies to one or multiple public employment positions and clarifies the participation duration for pre-2002 PERA members is until incumbency ends for elected officials and until termination of public employment broadly. The PERA membership exclusion provision was amended to eliminate the pre-2002 elected official membership grandparent duration language moved to the inclusion provision and the other retirement plan coverage exclusion provision was amended to eliminate an obsolete reference to the Minneapolis Teachers Retirement Fund Association.
- In 2008 (Laws 2008, Ch. 349, Art. 5, Sec. 14), the PERA coverage exclusion provision was amended by expanding the resident physician, medical intern, and pharmacist resident and intern exception to apply to clinics as well as hospitals.
- In 2009 (Laws 2009, Ch. 169, Art. 12, Sec. 4-5), the general definition of the term “public employee” and the PERA membership inclusion provision were amended by moving the Dakota County Agricultural Society full-time employee inclusion from the general definition of the term “public employee.” The PERA membership inclusion provision was amended by moving the Dakota County Agricultural Society full-time employee inclusion from the general definition to the inclusion provision and by adding Minneapolis Firefighters Retirement Association (MFRA) and Minneapolis Police Retirement Association (MPRA) employees not otherwise excluded by law.
- In 2010 (Laws 2010, Ch. 359, Art. 5, Sec. 1-4; Art. 11, Sec. 1-2), the general definition of the term “public employee” had a reference to “public officer” added and the language style and usage of the provision were modified in an apparent non-substantive nature. The PERA coverage inclusion provision was modified by:
 - clarification of the mandatory nature of membership for included employees and a specification of the date on which membership commences,
 - setting forth three additional specific inclusions, persons meeting the salary threshold from one or more positions in a governmental subdivision, persons performing the functions of town or city clerk or treasurer, county auditor, treasure or recorder, city manager, or emergency management director, and elected county sheriffs,
 - specifically providing that membership continues for all months of public service once the threshold is first met,
 - including pre-2003 elected officials in the 2002 PERA member grandparenting provision,
 - including MERF members in membership of the MERF Division of PERA, and
 - making various language style and usage changes.

The PERA coverage exclusion provision was modified by:

- clarifying that employees who never exceed the minimum salary threshold are never eligible for membership,
 - clarifying the application of the public office holder exclusion applying to city mayors and not applying to county sheriffs,
 - simplifying the language usage and style of the short-term work permit or visa foreign citizen exclusion,
 - specifically excluding board or commission appointees,
 - not excluding from membership as independent contractors persons performing clerk, treasurer, recorder, city manager, or emergency management director functions under a contract, and
 - making various language style and usage updates.
- In 2011 (1st Spec. Sess. Laws 2011, Ch. 8, Art. 1, Sec. 1-2), employees of the Red Wing Port Authority who were first employed by the port authority before May 1, 2011, were included in coverage.

Background Information on TRA Membership Inclusions and Exclusions

1. Current Membership Inclusions. The Teachers Retirement Association (TRA) includes in its retirement coverage a person who renders service as a teacher, supervisor, principal, superintendent, librarian, nurse, counselor, social worker, therapist, or psychologist in a public school outside of Duluth or St. Paul, or in a charter school, or in any charitable, penal or correctional institution of a governmental subdivision, or a person who is engaged in educational administration of the state school system, or an employee of the Teachers Retirement Association (TRA), or a person who teaches part-time while also rendering other employment services for the same employing entity if teaching represents at least 50% of the combined employment salary, or an unclassified employee of the Minnesota State Colleges and Universities System (MnSCU) who is not covered by another Minnesota public pension plan covering MnSCU employees as a president, vice president, dean, academic manager or professional, an administrative or faculty support position, teacher, or research assistant.

2. Current Membership Exclusions. The Teachers Retirement Association (TRA) excludes from its retirement coverage teaching personnel employed by Independent School District No. 709 (Duluth) or Independent School District No. 625 (St. Paul), teaching personnel at the University of Minnesota, teaching and academic personnel employed by the Minnesota State Colleges and Universities System (MnSCU) covered by another public pension plan in which MnSCU participates, independent contractors as defined by the Internal Revenue Service who work in a school or institution, persons exempt from teacher licensure, and persons who render part-time teaching or customized trainer service in a MnSCU institution that is incidental to the person's non-teaching career, stipulated in writing in advance as not exceeding 300 hours per fiscal year, and actually not exceeding 300 hours per fiscal year.

3. Historical Development of MSRS-General Membership Inclusions and Exclusions.
 - a. Predecessor to TRA; Teachers Insurance and Retirement Fund.
 - In 1915 (Laws 1915, Ch. 199, Sec. 1), "teacher" for plan membership was defined as any teacher, supervisor, principal, superintendent, or certified librarian who is employed in any educational or administrative capacity in the public schools of Minnesota or any educational, correctional, or charitable institution supported entirely or in part by the state other than the University of Minnesota.
 - In 1925 (Laws 1925, Ch. 404, Sec. 1), the definition of "teacher" was modified to eliminate the requirement that a school librarian be certified to be a member of the retirement plan.
 - In 1931 (Laws 1931, Ch. 146, Sec. 1), in an enactment that did not amend Laws 1915, Chapter 199, county superintendents of schools were permitted to be members of the retirement plan.

 - b. Teachers Retirement Association.
 - In 1931 (Laws 1931, Ch. 406, Sec. 1), as part of the enactment creating the Teachers Retirement Association (TRA), "teacher" was defined as any person who rendered service as a teacher, supervisor, principal, superintendent, or librarian in the public schools of the state other than those in the corporate limits of a city of the first class, or in the state teachers' colleges, or in any charitable institution supported in part or in whole by public funds, or who is engaged in educational administration of the state public school system, including the state teachers' colleges, but not the University of Minnesota, whether a public office or public employment, but excluding governing board members of the public school system or school district officers.
 - In 1957 (Ex. Sess. Laws 1957, Ch. 16, Sec. 1), the TRA membership inclusion provision was amended to exclude persons who work for a school or educational institution as an independent contractor.
 - In 1959 (Ex. Sess. Laws 1959, Ch. 50, Sec. 1), the TRA membership provision was modified by including educational employment positions in state penal or corrective institutions and by excluding governing board members of public schools or school districts in associated school districts or in unorganized territories.
 - In 1963 (Laws 1963, Ch. 845, Sec. 1), the TRA membership inclusions were expanded to nurses, counselors, social workers, or psychologists rendering services to applicable public schools or to state colleges.
 - In 1971 (Laws 1971, Ch. 40, Sec. 1), the TRA membership provision was amended to expand inclusions to part-time teachers who also render other services for a school district if determined by the retirement plan administration that the total employment was eligible for coverage.

- In 1974 (Laws 1974, Ch. 289, Sec. 2), the TRA membership inclusion provision was expanded to include employees of the retirement association employed after July 1, 1969.
- In 1977 (Laws 1977, Ch. 67, Sec. 1), the TRA membership provision was amended to revise the "state university" reference to the "state university system" and to add the "state community college system."
- In 1978 (Laws 1978, Ch. 556, Sec. 1, and Ch. 720, Sec. 8), the TRA membership provision was amended to exclude, in any fiscal year, a part-time school or institution teacher who certifies to having established an individual retirement account and is contributing to it and to exclude persons participating in job training or public service employment under the federal Comprehensive Employment and Training Act unless previously vested in the plan or to be covered with employer contributions paid from a source other than federal funds.
- In 1980 (Laws 1980, Ch. 342, Sec. 8, and Ch. 609, Art. 5, Sec. 21), the TRA membership exclusions were modified by clarifying that the part-time teacher individual retirement account exclusion applied if the person was not under a contribution requirement to the fund and has an individual retirement account for non-teaching employment and by eliminating the individual retirement account exclusion in favor of an exclusion for persons with part-time adult supplemental vocational-technical school license who teachers part-time in a vocational-technical school if incidental to regular non-teaching employment, stipulated in advance not to exceed 300 hours in a fiscal year and actually complying with that teaching hours limit.
- In 1981 (Laws 1981, Ch. 224, Sec. 98), the TRA membership inclusion for TRA plan employees was clarified as being applicable only if the person was not covered by the MSRS General State Employees Retirement Plan (MSRS-General) and the TRA membership exclusion for part-time teachers with individual retirement accounts was clarified as continuing despite the Laws 1980, Chapter 609, revision if excluded before January 1, 1981.
- In 1983 (Laws 1983, Ch. 148, Sec. 1), the TRA membership inclusion was expanded to include school therapists.
- In 1986 (Laws 1986, Ch. 458, Sec. 14), the TRA membership exclusions were extended to the Minnesota State Colleges and Universities System (MnSCU) chancellor, university presidents, and unclassified managerial employees covered by the MSRS Unclassified State Employees Retirement Program (MSRS-Unclassified) hired after March 25, 1986.
- In 1987 (Laws 1987, Ch. 384, Art. 1, Sec. 34), a drafting error in the 1986 enactment was corrected.
- In 1994 (Laws 1994, Ch. 528, Sec. 1), the TRA membership provision was reorganized and revised for language style and usage without apparent significant substantial change.
- In 2000 (Laws 2000, Ch. 461, Art. 3, Sec. 27), the TRA membership provision was amended to update MnSCU references, the administrative determination duty of coverage eligibility for part-time teachers with other employment by the same employer was repositioned and restated, the exclusion of certain MnSCU employees with MSRS-Unclassified coverage was eliminated, and the part-time adult supplementary technical college license exemption was made applicable to customized trainers in MnSCU.
- In 2001 (1st Spec. Sess. Laws 2001, Ch. 10, Art. 3, Sec. 17), the TRA membership inclusion provision was expanded to include unclassified service personnel employed by MnSCU as a president, vice president, dean, academic or academic support program manager or professional, an administrative or service support faculty member, or teacher or research assistant if the person is not covered by MSRS-Unclassified, a first class city teacher retirement fund association, or the Individual Retirement Account Plan (IRAP).
- In 2002 (Laws 2002, Ch. 392, Art. 6, Sec. 1), the TRA membership inclusion provision was expanded to include all charter schools in the state.
- In 2004 (Laws 2004, Ch. 267, Art. 1, Sec. 5), the TRA membership exclusion provision was amended to eliminate the Comprehensive Employment and Training Act job training employees and to eliminate the part-time adult supplementary technical college license requirement for part-time teachers who teach incidental to the person's regular non-teaching occupation.
- In 2006 (Laws 2006, Ch. 277, Art. 3, Sec. 2), the TRA membership provision was modified to specifically exclude from membership Duluth public school district teachers and St. Paul public school teachers, accompanying the consolidation of the Minneapolis Teachers Retirement Fund Association (MTRFA) into TRA.

Background Information on Comparative Minnesota Public Employee Retirement Plan Membership Inclusions and Exclusion

a. Comparison of the Original Statewide Retirement Plan Membership Inclusion and Exclusion Provisions.

When the State Employees Retirement Association (SERA, renamed the Minnesota State Retirement System (MSRS) in 1969) was created in 1929, the Public Employees Retirement Association (PERA) was established in 1931, and the Teachers Retirement Association (TRA) replaced the bankrupt Teachers Insurance and Retirement Fund in 1931, the membership inclusion and exclusion provisions of the three major statewide retirement plans were far less complex, providing as follows:

SERA/MSRS (Laws 1929, Ch. 191, Sec. 1, Cl. 1)

Section 1. Words and phrases defined.—That the following words and phrases as used in this act, unless a different meaning is plainly required by the context, shall have the following meanings:

1. "State Employee" shall mean any person holding a state office or regularly employed by the state by the year or by the month in any capacity whatever and whose salary is paid either by warrant of the state auditor or from the fees or income of any department or agency of the state, excepting court commissioners, commissioners of the supreme court, district judges, and the president, deans, professors and instructors in the state university and in the state teachers' colleges, but shall not include temporary employes or those employed for a definite period of less than six months.

PERA (Laws 1931, Ch. 307, Sec. 1, Cl. 1)

Section 1. Definitions.—That the following words and phrases as used in this act, unless a different meaning is plainly required by the context, shall have the following meaning;

1. "Public Employee" shall mean any person holding a position, either elective or appointive, as a

(a) county employe or officer in any county and/or

(b) city employe or officer in any public department or public school in any city of the first, second or third class, whether now or hereafter operating under a home rule charter or otherwise, and/or

(c) village employe or officer-in any village having a population of over seven thousand (7,000) inhabitants and/or

(d) public school employe or officer in any school district wholly within any such city or such village whose salary is paid in whole or in part by taxation, or by fees, assessments or revenues from public service and who is not otherwise covered by any other form of public annuity or public pension system, but not to include temporary employes or persons whose average period of" employment in any one year is less than six (6) months.

TRA (Laws 1931, Ch. 406, Sec. 1, Cl. 1)

Section 1. Definitions.—Unless the context indicates a different meaning, the following words and terms shall, wherever used in this act, have the meaning set after the same viz.:

1. The word "teacher" shall include any person who has rendered, is rendering, or shall hereafter render service as a teacher, supervisor, principal, superintendent, or librarian in the public schools of the state, located outside of the corporate limits of the cities of the first class in the state teachers' colleges, or in any charitable institution supported in whole or in part by public funds, or who has been engaged, is engaged, or shall hereafter be engaged in educational administration in connection with the state public school system, including the state teachers' colleges but excluding the state university, whether the position be a public office or an employment, not including, however, members of any general governing or managing board or body connected with such system, or the officers of common, independent, special, or county school districts.

Since 1929-1931, other than for TRA, the inclusions in and exclusions from plan membership have become more complex, growing and changing in an incremental fashion, without any general review by the Commission in decades. Hence, some general issues concerning plan membership inclusions and plan membership exclusions have been identified by the Commission staff.

- b. Comparison of the Current Statewide Public Retirement Plan Membership Inclusion and Exclusion Provisions. The following compares the membership inclusions and exclusions of the three major statewide defined benefit public employee retirement plans, the General State Employees Retirement Plan of the Minnesota State Retirement System (MSRS-General), the General Employees Retirement Plan of the Public Employees Retirement Association (PERA-General), and the Teachers Retirement Association (TRA):
