

PERA SUBCOMMITTEE

Thursday, February 19, 1970, Room 15 - 2:00 P.M.

PRESENT: Rep. Sillers, Forseth, O'Neill  
Sen. Josefson, Baldy Hansen

MINUTES OF the January 15 meeting were read and approved.

RE: SEVEN HOSPITALS AND COORDINATION WITH SOCIAL SECURITY

Blair Testin stated that legislation should be drawn to force the seven hospitals to have a referendum. The Springfield Hospital advised that it wishes to continue as it is and not coordinate.

Sen. Baldy Hansen moved that a letter be sent to these hospitals to advise them that the Commission has made a decision to enact legislation which would put them under the coordinated plan. MOTION CARRIED.

LEAGUE OF MINNESOTA MUNICIPALITIES

Re temporary employees, they do not know if they will make a recommendation one way or the other. Problem: How many people do you want to include in coverage in PERA coordinate. Do you want to make some cut off?

It was decided that Mr. Claeson will contact Mr. Moulton and advise him when the League desires to be put on the agenda again.

( PERA recodification progress on separate recodification memo.)
